**In an effort to ensure the safety of all participants on this retreat, we are asking that each church contact review this document with a camp staff member.**

**We have gone over and agree to the following:**

- I have turned in a Warren Willis Camp & Conference Center Retreat Waiver for everyone our group, including myself.
- I have current permission to treat forms for everyone in my group under the age of 18.
- The adults on my retreat have been properly screened per our conference's Child Protection Policies.
- I have or will communicate with my adults regarding their role of supervision with our group this weekend.
- Our church group will abide by all camp policies this weekend at camp. (A list of these policies can be found on-line at [www.warrenwilliscamp.org](http://www.warrenwilliscamp.org).)
