

SERVE January 2021 Q&A

1. For the devotionals, is that like our small group/church group times? Will there be material provided for that?

Morning Devotionals will replace the morning worship time that we usually do together. There is no scheduled small group time. You will be given a group of quotes throughout the weekend which we encourage you to talk with your students about. Also, we will have a SERVE 2021 facebook group which will allow you to speak to other youth directors about the quotes and share across groups what your students said.

2. Will churches share spaces in bunkhouses or will the big rooms be closed off to allow more separation?

Churches that choose to sleep in cabins will have their own cabins. For this reason they need a minimum of two volunteers per gender to comply with child protection policies. If a church chooses to stay in hotel rooms we ask that they stick to the 1:6 ratio of adults to youth.

3. When in the schedule would people be able to use the ropes course? In lieu of a workshop or only during a set time?

Ropes course is available all of Saturday, so it can replace a workshop or be during open free time. It will happen at an assigned time so that facilitators are aware when they are taking a group out. How long the session is (1-3 hours) is up to the youth director. Masks are to be worn on the ropes course.

4. When/where will masks be required and/or suggested?

Masks are required in all common spaces and when in close proximity to people outdoors.

5. Will there be additional hand cleaning stations and/or sanitizing stations?

Hand sanitizer is available throughout the lodge and outside the common areas that will be used during our time together.

6. Can we eat together in the dining rooms?

Dining hall will be open. We ask that masks be worn when getting your food/away from the table, but groups will have the space to dine together.

7. What are the enhanced protocols for cleaning the camp?

We have staff assigned per space, so there will be **Surfaces and handles** wiped down in between sessions. You will have assigned seats during worship, so only your group is using them all weekend long.

8. Will there be a temperature check at registration?

yes and a covid form will be signed

9. Will students be able to sing out loud?

No, we are only doing reflective worship meaning no singing along.
