Use this spreadsheet to divide <u>one</u> church check among many campers. Money cannot be applied to a camper unless they have already registered online for camp, or you are sending their applications with this spreadsheet.	
You can list awarded Warren Willis Camp Scholarship amounts on this spreadsheet. Awarded amounts will be posted in the Group Leader section of the SC website mid-April. Include the vouchers with the spreadsheet.	
This check amount should equal the total amount listed in the fourth column. If you have two checks, you need two spreadsheets.	
Final Balances: June camps are due May 15. July camps are due June 15.
