Information about distributing and collecting the Scholarship Application; and the procedures for discovering scholarship amounts and accepting the scholarship.

**Church Contact Persons:** As you organize a group of campers from your church to attend camp this summer, we encourage you to use the Scholarship Application as part of your information distribution process. This scholarship is available to any camper who can be claimed by a UM Church. As you distribute and collect these applications, make sure to fill out your portion of the application (page 2) and return the scholarship application as quickly as possible and before the April 1st (postmarked) due date. Our address is at the top of the application. Campers will be mailed a Scholarship Voucher to the personal mailing address provided above.

A list of awarded scholarships will be posted, to a secure page, within our website. This page will only be available to Church Contacts.

If your church is providing any scholarship from fundraisers or other sources, you can send a church check and Church Payment Spreadsheet (available online). There is a place to declare the awarded scholarship amount on this spreadsheet, you do not need to include the voucher, just confirm the awarded amount on the secure website page.

Alternatively, families can send the vouchers directly to the camp for the scholarship to be applied to a camper's tuition.

**Parents/Guardians:** You will receive a Scholarship Voucher by mail at the address you provided above. The voucher must be returned for the scholarship to be accepted (or your church contact can accept the scholarship on the Church Payment Spreadsheet, as described above).

Please remember, to qualify for this scholarship, you do not have to be a member of a UM Church, but your camper must be endorsed by a UM Church Representative (page 2).
